DEFENSE RESTS IN COOPER CASE

State Begins its Rebuttal This Morning
—Will Complete Case Tomorrow.

(Special from United Press.)
Nashville, Tenn., March 4.—The attorneys for the state in the trial of John D. Sharp, Colonel Duncan B. Cooper and Robin Cooper, charged with the murder of Former Senator Carmack, began the introduction of its proof in rebuttal so soon as court reopened. Before any witnesses were called a recess was granted in order that the lawyers might decide which of the defense's witnesses they would recall for further cross-examination. While the state has forty witnesses under subpoena, it is not expected that more than one-fourth of them will be called and Attorney General McCann declared to-day that he expected the state would finally rest Friday night. Adjournment then would probably be taken until Monday when the closing arguments will be made. The case will likely be in the hands of the jury by a week from tomorrow.

COL. BRITTON FOUND GUILTY

Schroeder Also Convicted of Same Offense.

New York, March 4.—Col. Edward E. Britton and Quarantine Commissioner Frederick H. Schroeder were found guilty by a jury in the Supreme Court in Brooklyn late yesterday afternoon of grand larceny while president and second vice-president respectively of the Eagle Savings and Loan Company and were remanded to jail. Justice Jaycox refusing to continue the original bail bonds of \$40,000 each. The defendants had any disappointment that may have attended the verdict and appeared less concerned than the jurors or former Senator Thomas Whitlock, their counsel.

When asked later as to his future intentions Mr. Whitlock said that his head was in such a muddle as a result of the verdict that he hadn't been able to think of plans for the future, that he didn't know whether he would try to obtain a mitigation of penalty or take an appeal. Sentence will be pronounced on Monday unless the defence requests more time.

The contention that a man is not guilty of larceny if he takes money with the intention of returning it, as Mr. Whitlock held on Tuesday night, was the only defence offered, and that was weakened by the refusal of Justice Jaycox to allow evidence tending to show a disposition on the part of the defendants to make restitution of the money they had dishonestly appropriated from the loan company by means of worthless checks carried as cash. Mr. Whitlock said that these checks served as a sort of memorandum and that their very existence proved the absence of felonious intent. Without felonious intent, he contended, no larceny can exist.
